

Do you want to have our latest no-name catalogue on your website? Copy and Paste the following code in your Website HTML Editor. You have to change only the **width** and the **height** of the image/iframe to fit your website layout.

Option #1: Image with link to the Flipbook

```
<a  
href="https://www.flipbookpdf.net/web/site/823b93359d90cd19652ff4acafce0908b88be30dFBP256938  
25.pdf.html"></a>
```

The results of this code is an image which can be clicked to open the Flipbook catalogue.

Option #2: Iframe with flipbook

```
<iframe  
src="https://www.flipbookpdf.net/web/site/823b93359d90cd19652ff4acafce0908b88be30dFBP2569382  
5.pdf.html" width="900" height="637" frameborder="0" webkitAllowFullScreen mozallowfullscreen  
allowFullScreen></iframe>
```

The results of this code is a Flipbook frame on your website.
